

Route 6 Corridor Study Survey

SRPEDD is looking for input from the public to assist in the study of the Route 6 corridor from Route 240 in Fairhaven, east to High Street in Wareham. The study area covers approximately 13 miles, includes 6 signalized intersections, and contains a substantial number of residences, businesses, and institutional uses.

Please complete this survey regarding your travel experiences on Route 6 and about your hopes for future improvements. It will only take approximately 5 minutes to complete. Your responses will be of great assistance to us. Thank you. For more information about SRPEDD's Route 6 Corridor Study visit the [project website](#) or the [project facebook page](#).

If you are filling out a paper copy of this survey, please either mail it to SRPEDD (address is below) or bring it to a study area community (Fairhaven, Mattapoisett, Marion, Wareham) Town Hall.
